

# BUILDING COMMISSIONING ASSOCIATION CONVENTION & EXPOSITION

## 2008 EXPO INFORMATION

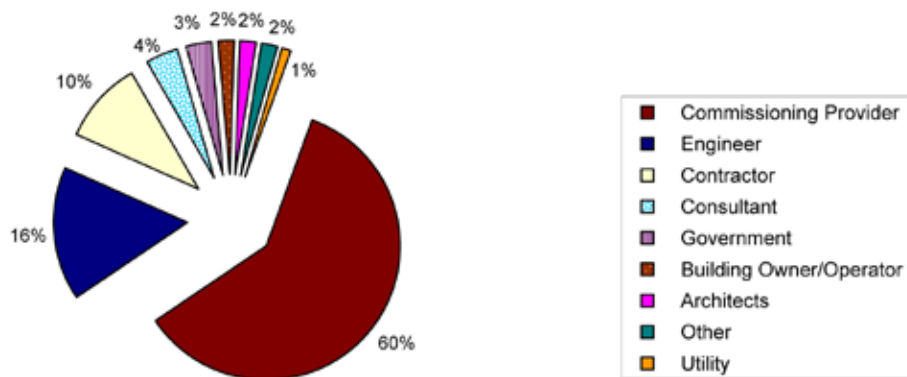

In only its third year, the Building Commissioning Association's (BCA) Annual Convention and Exposition (Expo) has succeeded in bringing together the diverse group of professionals that comprises the commissioning industry.

We're gearing up for another great year and we want you to be a part of it! As a sponsor or exhibitor, you'll:

- Increase visibility in front of key players and decision makers
- Expand your knowledge on the commissioning industry
- Be a voice of influence in the future of commissioning and sustainable building
- Develop your business through increased networking opportunities

**BCA Expo Attendees** are building owners, commissioning providers, utilities, architects, engineers, facility operators and equipment vendors look to the convention to provide valuable education, networking and idea-sharing as they navigate the rapidly growing and multi-faceted business of better buildings.

2007 Expo Attendees by Affiliation

**Educational sessions designed** to get people talking, Expo attendees are exposed to cutting-edge processes, technologies, and lessons learned they can immediately apply to their commissioning practice. We have seen steady growth in the attendance of Commissioning Providers, Building Owners, and Utilities. In 2008, we expect an attendance of 150 with over 10% growth each year.

# Commissioning is no longer an option, it's a necessity.

The BCA is a leader in the commissioning industry and has active members in Europe, Asia, South America and Canada.

As a sponsor, your logo will reach over 8,000 individuals on advertising through direct mail and email marketing methods, as well as through prominent placement on the BCA Expo 2008 website.
