Can you top this?

Craig Hawkins, CxA, CCP
Let’s start with a little quiz.....

What is this?
And what about this?

Who can tell me what this is?
12/10/10

This Drive is Shot
Bypass contactor is welded
Closed Main Fuse Blows
When inverter even after
Changed contactor Chis ACL
Moral of the story...

Be ready for anything, and we mean anything!

Thank You!

Craig Hawkins, CxA, CCP
