BCxA Scholarship Foundation Annual Golf Tournament

The Michael R. Chelednik Memorial Golf Tournament in support of the BCxA Scholarship Foundation will take place in conjunction with the BCxA Conference. Test your skills on the course while helping to build the Foundation's scholarship funds to support the next generation of commissioning providers.

The tournament format is a traditional scramble with shotgun start. Along with the usual prizes for Lowest Team Score, Highest Team Score, KP (Men's and Women's) and Longest Drive (Men's and Women's), there will be some creative and fun wrinkles on advancing the ball in certain situations, and a one-time opportunity to get creative with score keeping.

Proceeds benefit students and young professionals who want to enter the field of commissioning.
