Your commitment to the built environment is critical, whether your perspective is energy, building science, systems innovation, operating efficiency or, like the BCxA, best practices for delivering all of the above. Sponsors of the BCxA and our Annual Conference have the opportunity to influence major players and industry leaders who have the inside track on building performance opportunities, results, and transformative technologies.

Your sponsorship reinforces your visibility and commitment to building quality, safety, security and performance. Join us by sponsoring! The following is a list of sponsorship opportunities and packages for your consideration that can give you plenty of BCxA exposure all year long, plus your Annual Conference presence.

We are happy to work with you to customize a sponsorship package that best represents your vision. Please contact Liz Fischer to help customize your sponsorship package to your company’s needs and priorities.

WHY SPONSOR BCxA SCHOLARSHIP FOUNDATION GOLF TOURNAMENT?

The Michael R. Chelednik Memorial Golf Tournament in support of the BCxA Scholarship Foundation will take place in conjunction with the BCxA Conference. Test your skills on the course while helping to build the Foundation’s scholarship funds to support the next generation of commissioning providers.

The tournament format is a traditional scramble with shotgun start at 8:00 AM. Along with the usual prizes for Lowest Team Score, Highest Team Score, KP (Men’s and Women’s) and Longest Drive (Men’s and Women’s), there will be some creative and fun wrinkles on advancing the ball in certain situations, and a one-time opportunity to get creative with score keeping.

Proceeds benefit students and young professionals who want to enter the field of commissioning.
